Dear Sir:

The present Supplemental Amendment and Response in the above-identified patent application is being submitted to correct a inconsistency between a drawing and the corresponding description in the specification. Applicants respectfully request entry of this amendment.

A substitute oath and declaration is also submitted herewith to correct the citizenship information provided for Audrey Goddard and to supply the citizenship of William I. Wood.

Amendment to the Specification begins on page 2 of this paper.

Remarks/Arguments begin on page 3 of this paper.
